Dear Mr. Caton:

Pursuant to Section 1.1206(a)(2) of the Commission's rules and on behalf of XtremeSpectrum, Inc., I am filing this letter electronically to report a written ex parte communication in the above-referenced proceeding.

The attached slide presentation titled "Analysis of XtremeSpectrum Proposal of November 2001 and Federal Systems Including GPS," was transmitted electronically to the following individuals: Chairman Michael Powell and his Senior Legal Advisor Peter Tenhula; Commissioner Kathleen Abernathy and her Senior Legal Advisor Bryan Tramont; Commissioner Copps and his Senior Legal Advisor Paul Margie; Commissioner Kevin Martin and his Legal Advisor Monica Desai; and within the Office of Engineering and Technology, Julius Knapp; Bruce Franca; Edmond Thomas; Karen Rackley; Lisa Gaisford and John Reed.

The slides served as the basis for a presentation made before staff at the National Telecommunications Information Administration earlier in the day. If there are questions about this submission, please call me at the number above.

Respectfully submitted,

David L. Martin
